Why over 1,500 Aussie schools use Flexischools:

Aussie customer support

- ▶ The Flexischools customer service team has a support line open every weekday for both canteens and parents.

Easy for canteens to use

- ▶ The Flexischools Supplier Portal is super simple for canteens to use! You can easily:
 - Change your menu items and prices,
 - set up special food days,
 - cancel orders and refund parents accounts,
 - update your opening and closing dates for each term,
 - close off services after hours due to sudden illness or lack of volunteers, and
 - update class lists each year.
- ▶ Canteens can also assign a traffic light rating (green, amber, red) to each menu item to encourage healthier eating.
- ▶ Flexischools offers an unlimited free supply of the only thermal labels suitable to use in a canteen environment.

Secure, safe and reliable

- ▶ Flexischools has processed more than 100M orders over 10 years.
- ▶ Flexischools holds an Australian Financial Services Licence (AFSL).
- ▶ All user data is held in Australia.
- ▶ A proven ability to manage high-order capacity.

Regular reporting and invoicing

- ▶ Invoices sent on Sundays with regular payments on Mondays.
- ▶ Canteens can view daily reporting, historical data, future orders, and financials.

Ordering app for parents

- ▶ Parents can quickly order lunch orders on the Flexischools app.
- ▶ The fast-ordering feature allows parents to place a repeat canteen order in seconds!
- ▶ You will have free access to Buzz, our in-built communications platform where you can send instant messages to parents.

Integrated into a variety of POS solutions

- ▶ Integrated into a variety of POS solutions to allow on-site payments via your existing student cards.
- ▶ Flexischools also fits in seamlessly with your current bank service.
- ▶ Easy online collection of funds.

I just want to commend Flexischools on a wonderful school platform and even more outstanding supplier support. Honestly, I couldn't rave enough about how exceptional all aspects of their service are.
